

Male & Female (Born Again)

Genesis 1:27 / John 3

Track 04 · Love Not This World · Lambelujah

Intro

Search me, O God... You knit me — I am fearfully, wonderfully made.

Verse 1

Lord, You knit me in the secret — every thread and every bone;
You made the boy a boy, the girl a girl, and the design was Yours alone;
no new name and no new frame can un-write what You have penned —
I can't out-vote my Maker; what You made, You'll keep and mend.

Pre-Chorus

The world cries "change it, trade it" — but it's not a sound mind's way;
and the "love" the world is selling is a lust that leads astray.

Chorus

He made the boy a boy, the girl a girl — and He called it good;
you can't unmake your Maker — and oh, child, you never should;
you don't need a different body... you need a brand-new heart —
be born again in Jesus; in the dead His Holy Spirit to start.
Jesus saves, Jesus saves — He wipes away the shame;
so lay the old self down, and rise, and never be the same.

Verse 2

Let the men be strong and lowly, made to guard truth, not to fall;
let the women as Proverbs 31, fearing God, kind and brave their call;
guard your purity like treasure — sons and daughters, hold it dear;
and every little life is precious, knit by God — so hold it near.

Pre-Chorus

Same purity, same mercy, for the daughter and the son;
a pure and God-fearing heart, Lord — in us let it be done.

Chorus

He made the boy a boy, the girl a girl — and He called it good;
you can't unmake your Maker — and oh, child, you never should;
you don't need a different body... you need a brand-new heart —
be born again in Jesus; in the dead His Holy Spirit to start.
Jesus saves, Jesus saves — He wipes away the shame;
so lay the old self down, and rise, and never be the same.

Bridge

You did not give a spirit of fear — but power, love, a sound mind;
so the change you really need is trust Him and His design:
don't pursue dead things you crave, child — hand Him your heart and be made new;
"such were some of us... but washed" — He died and rose for you.
The Seed of the woman, Jesus, came, born to break the curse —
so come, be born again in Him; let faith, not flesh, be first.

Final Chorus

He made the boy a boy, the girl a girl — and He called it good;
take the lie and take the shame, and make us new, as You would;
not condemned, but beloved — born again, and washed, and free;
Jesus saves, in Him is no shame... He's calling you and me!
be born again in Jesus; in the dead His Holy Spirit to start.
Jesus saves.

Outro

Born again... washed clean... and never the same;
boys are boys and girls are girls — and Jesus saves... in Jesus' name.
